**Overview:**

The group meets for 1.5 hours, four times a year, to undertake improvements on the BCC's copyright education messaging, as well as raising awareness of other related industry initiatives.

**Annual Strategy:**

(a) UK Copyright Highway Code series

The group works on creating new practical guides for the BCC to publish and share as a resource through the BCC website and at training events. In 2019, the group completed two further additions to its UK 'Highway Code' series: on [Performers Rights](#) and [Moral Rights](#). Currently working on a guide to Exceptions & Fair Dealing.

(b) BCC's website

Support and sounding board for the Director of Policy & Public Affairs on shaping the format, style and content of the new BCC website, launched 4 June 2019, including a copyright education remit under an [information web page](#).

(c) Guest organisations/individuals with a copyright education remit

Creating list of individuals to join the group and discuss copyright education and increase awareness of copyright

**Regular Updates:**

- Forum for reviewing IPO CEA group undertakings and other creative industry initiatives on copyright education  
Update the group on various initiatives, IPO meetings, and other resources such as [CrackingIdeas.com/The Game is On!](#) and [copyrightuser.org](#).
- BCC member initiatives  
Sharing regular updates on initiatives and events.
